TO WHOM IT MAY CONCERN:

RE: Brother Lawrence L. Sandstrom, CSC

Brother Larry served as Executive Director of Maryvale from May to December, 1983. In that position he was responsible for the overall operation of the Maryvale program, which included residential and day care services. The residential program involved 90 children and the day care 80 children.

During his tenure as Executive Director, Brother Larry played an important role in a corporate restructuring project and in the reevaluation of our business system, telephone system, maintenance program and residential and clinical programs. Given the time that Brother Larry was with Maryvale, he addressed an impressive variety of administrative matters.

Brother Larry is definitely a "take-charge" administrator. He is hard-working and goals oriented. He also demonstrated that he was willing and able to delegate responsibility.

Brother Larry's dealings with the Board of Directors have always been honest and straightforward.

It was regrettable that Brother Larry was called to other duties and left Maryvale after so brief a time. We appreciate the devotion to duty and loyalty to Maryvale which Brother Larry demonstrated while he was here.

Sincerely,

Sister Sylvia Parks
